Subject: Opposition to Senate Bill **330**

Dear Assemblymember Adrin, Nazarian, Jesse Gabriel and Richard Bloom,

The Studio City Residents Association (SCRA) is writing in opposition to Senate bill SB 330 that is scheduled to be heard before the State Assembly Appropriations Committee on Wednesday August 28th. SB 330 reduces the number of hearing on a development project to 4 government review hearings and leaves only **one** public hearing. It does not address the affordable housing issues and guts local control and due process. SB330 must be stopped or put in suspense in order to address and correct its flaws.

Sincerely,

Alan Dymond, president

Studio City Residents Association
